A-M Press-On Label Holders solve labeling and indexing problems in a wide variety of applications. Made of durable plastic, the pressure-sensitive label holders are applied simply by removing the paper backing and pressing in place on any clean, smooth, dry surface. Index cards slide easily into the holder channel, and can be changed quickly. A-M Press-On Label Holders are ideal for file drawers, shelves, parts bins, ring binders and ledgers, all kinds of office books. They provide the perfect simplified filing and identification system for stores, stockrooms, factories, hotels, hospitals, schools, mailrooms and libraries.

Available in packages of 50,
in sizes: $\frac{3}{4}$ " x 2",
 $\frac{1}{2}$ " x $1\frac{1}{2}$ " and
1" x $2\frac{1}{2}$ ".

A-M Press-On Labels are ideal for subdivisions of A-M Plastic Drawers, and hundreds of other labeling and identification uses. They are available with printed numbers, in sequence, or plain. Press-On Labels can be quickly applied to plastic drawer dividers, to the drawer front, to office and file systems, ring binders, all kinds of office books and files. To apply, simply remove labels from paper backing and press on any clean, smooth, dry surface. Printed Press-On Labels are one size: $\frac{1}{2}$ " x $\frac{3}{4}$ ". Plain Press-On Labels available in 4 sizes: $\frac{1}{4}$ " x 1", $\frac{1}{2}$ " x $1\frac{1}{4}$ ", $\frac{3}{4}$ " x $2\frac{1}{2}$ ", 1" x 3".

A-M Perforated Index Cards are designed to fit the A-M Press-On Label Holders, the built-in label slots on A-M drawers, and many other indexing uses. The perforated cards, in sheets, fit easily in typewriter, or can be marked by hand. They slide easily into the holder channel, and can be changed quickly. A-M Perforated Index Cards serve every labeling purpose where self-adhesive labels are not desired. Available in 7 sizes as shown in price list.
